Types of Data collected

Among the Personal Data collected from this website, either independently or through third parties, there are: Cookies, Usage Data, Email, Name, Surname and Phone Number.

Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically during the use of this website.

All data requested by this website is mandatory and, failing this, it may be impossible for this website to provide the service. In cases where this website indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the service or on its operation.

Users who have doubts about which data are mandatory, are encouraged to contact the Data Controller.

The possible use of Cookies - or other tracking tools - by this Application or third party service providers used by this Application, unless otherwise specified, is intended to provide the service requested by the User, in addition to the other purposes described in this document and in the Cookie Policy, if available.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared via this website and warrants that he has the right to communicate or disseminate them, freeing the Controller from any liability to third parties.

Method and place of processing of collected data

Processing mode

The Owner processes the Personal Data of Users by adopting appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

Processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, the Data may have access to the Data subjects of the persons involved in the organization of the site (administrative, commercial, marketing, legal, system administrators) or external subjects (as suppliers of third party technical services, postal couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Location

The processing related to the web services of this site takes place at the operational headquarters of the Data Controller and in any other place where the parties involved in the processing are located. For more information, please contact the Data Controller.

Retention period

The Data are processed for the time necessary to perform the service requested by the User, or required by the purposes described in this document, and the User can always ask for the interruption of treatment or deletion of data.

Purpose of processing collected data

The User Data is collected to allow the Owner to provide its services, as well as for the following purposes: Statistics, Interaction with external social networks and platforms, Contact management and sending messages and Contacting the User. / p>

The types of Personal Data used for each purpose are indicated in the specific sections of this document.

Details on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

CONTACT FORM

By filling out the contact form with their Data, the User consents to their use to respond to requests for information, quotes, or any other kind indicated by the form header.

Personal Data collected: surname, email address, first name and phone number.

MANAGE CONTACTS AND SEND MESSAGES

This type of service allows you to manage a database of email contacts, telephone contacts or contacts of any other type, used to communicate with the User.

These services may also allow us to collect data relating to the date and time the messages are displayed by the User, as well as to the User's interaction with them, such as information on clicks on the links inserted in the messages.

MailChimp (The Rocket Science Group, LLC.)

MailChimp is an address management and emailing service provided by The Rocket Science Group, LLC.

Defense in judgment

The User's Personal Data may be used by the Owner in court or in the preparatory stages for its possible establishment for the defense against abuse in the use of this Application or related services by the User.

The User declares to be aware that the Data Controller may be required to disclose the Data at the request of the public authorities.

Specific information

At the request of the User, in addition to the information contained in this privacy policy, this website may provide the User with additional and contextual information regarding specific services, or the collection and processing of Personal Data.

System logs and maintenance

For needs related to operation and maintenance, this website and any third party services used by it may collect System Logs, which are files that record the interactions and that may also contain Personal Data, such as the User IP address.

Information not contained in this policy

Further information in relation to the processing of Personal Data may be requested at any time to the Data Controller using the contact information.

User Rights

The subjects to whom the Personal Data refer have the right at any time to obtain confirmation of the existence or otherwise of the same with the Data Controller, to know its content and origin, to verify its accuracy or to request the integration, deletion, updating, rectification, transformation into anonymous form or blocking of Personal Data processed in violation of the law, as well as to oppose in any case, for legitimate reasons, their processing. Requests should be addressed to the Data Controller.

This website does not support "Do Not Track" requests.

To find out if any third-party services used support them, the User is invited to consult their respective privacy policies.

Changes to this privacy policy.

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to Users on this page. Please therefore consult this page often, referring to the date of the last modification indicated at the bottom. In case of non-acceptance of the changes made to this privacy policy, the User is required to cease using this website and may request the Data Controller to remove his Personal Data.

Unless otherwise specified, the previous privacy policy will continue to apply to Personal Data collected until then.

Definitions and legal references

Personal Data (or Data)

It constitutes personal data any information concerning a natural person, identified or identifiable, even indirectly, by reference to any other information, including a personal identification number.

Usage Data

This information is collected automatically through this Application (also from third party applications integrated into this Application), including: IP addresses or domain names of the computers used by the User that connects with this Application, the addresses in URI (Uniform Resource Identifier) notation, the time of the request, the method used in forwarding the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response from the server (good order, error, etc. .) the country of origin, the characteristics of the browser and the operating system used by the visitor, the various temporal connotations of the visit (for example the time spent on each page) and the details relating to the itinerary followed within the Application, with particular reference to the sequence of pages consulted, to the parameters relating to the operating system and to the IT environment authority.

Users

The individual who uses this application, which must coincide with the interested party or be authorized by him and whose personal data are being processed.

Interested

The natural or legal person to whom the Personal Data refers.

Responsible for processing (or responsible)

The natural person, legal person, public administration and any other body, association or body appointed by the Data Controller to process Personal Data, as established by this privacy policy.

Data Controller (or Data Controller)

The natural person, legal person, public administration and any other body, association or body to which they are responsible, even together with another owner, the decisions regarding the purposes, methods of processing personal data and the tools used, including the security profile, in relation to the functioning and use of this application. The Data Controller, unless otherwise specified, is the owner of this Application.

This website

The software tool through which the Personal Data of Users are collected and processed.

Cookies

Small piece of data stored within the User device.

Legal references

Notice to European Users: this privacy statement has been prepared in fulfillment of the obligations under Art. 10 of the Directive n. 95/46 / EC, as well as the provisions of Directive 2002/58 / EC, as updated by Directive 2009/136 / EC, regarding Cookies.

This privacy statement applies exclusively to this website.
